

# Befriending the Unreached Next Door

## MISSION OBJECTIVES

- A. I will identify who unreached people groups are and discover who are the unreached nearby.
- B. I will make one or more initial friendly contacts with people of other cultures and exchange contact information to enable follow-up.
- C. I will explore the website [mylanguagemylife.com](http://mylanguagemylife.com) sufficiently in order to share its resources with others, including people who speak languages other than English.

## TEAM CARE AND ACCOUNTABILITY (20 MINUTES)

1. What would you like to learn and accomplish by being part of this Reach the World Next Door training and team?
2. What needs or challenges are you facing that we can pray for?
3. Pray for each other and the people in your community who have never had a chance to know God or receive His salvation through Jesus.

## PRESENTATION (24:32 MINUTES)

**WATCH:** *Befriending the Unreached Next Door*

## DISCOVERY AND DISCUSSION (30 MINUTES)

### Finding the Unreached

1. How do you feel after watching *Befriending the Unreached Next Door* and what did you learn?

2. **Read Revelation 14:6.** Who do you think of when you hear the specific groups that get to hear the everlasting gospel before Jesus returns?

3. There are more than 4,000 unreached people groups in the world consisting of over 3 billion precious people. Unreached people groups are those with a unique ethnicity and language that have less than 2% evangelical Christians among them. Some groups have as few as zero percent. These have not had a chance to hear the Gospel. We must move them to the top of our priorities in how we spend our time and resources.

Discover new things about the unreached by looking at the 100 largest unreached people groups at [joshuaproject.net/unreached/1](http://joshuaproject.net/unreached/1). Click on the name of any ethnic group to read a profile of their culture, history, religion, and more. Write down some basic information about one specific group now. Then share with your team what you found.

4. **Read Acts 2:4-8.** When the Holy Spirit was poured out, what had God done in advance to make sure that people of every nation were able to hear?

5. **Read:** *We should be able to see in the multiplying opportunities to reach many foreigners in America a divinely appointed means of rapidly extending the third angel's message into all the nations of the earth. God in His providence has brought men to our very doors and thrust them, as it were, into our arms, that they might learn the truth, and be qualified to do a work we could not do in getting the light before men of other tongues* (White 1946, 570).

**Read Acts 17:26-28.** In what ways do you think God wants to use the movement of immigrants, refugees, and international students?

6. To find out which of these unreached people groups live near you, visit [peoplegroups.info](http://peoplegroups.info). Look below "Metro Area Highlight" and click "Metro Area List." Find and select the city nearest you. Scroll down to the list of people groups and choose one to learn about. Record the details below for one or more people groups that you are especially interested in. Be sure you choose non-Christian groups. Then share with your team and add their information to your list if it is of interest to you.

People Group	Religion	Status of Christianity	Number in Local Metro Area	Additional Information

7. Do you already know someone who is in one of the unreached groups in this metro area? Think through your neighborhood, your place of work, your school, or the places you shop and visit. Write down who you know. Then share about the people on your list with your team.

Name (or description if you don't yet know his or her name)	People Group	Where I See This Person

8. If you do not know anyone from an unreached people group, where are some places that you can begin to meet them? (For more ideas look at [reachtheworldnextdoor.com](http://reachtheworldnextdoor.com) under "Discover the Unreached Near You").

### First Contacts

9. Often church members spend time primarily with each other. The love of Jesus compels us to find unreached people and make friends with them. Let's consider some things we can say this week, as we deliberately try to meet people who have come from other countries. Circle the questions you especially like and will try to use.
- A. Do you speak any other languages besides English?
  - B. How do you say "Thank you" in that language?
  - C. Where is your family originally from?
  - D. Tell me about that country. How is it similar and different from here?
  - E. I work at \_\_\_\_\_. (I go to school at \_\_\_\_\_). What do you do?
  - F. What did you do (or your parents) in the country you came from?

**List additional questions you could ask, as you first get to know someone from another culture:**

---

---

10. Practice saying the questions above with each other so they will feel more natural to you when you say them to someone this week.

## Important Follow-Up

- 11.** The people you meet are highly important to God. Pray for Him to guide you to an opportunity to see them again. You might say, "I've really enjoyed talking to you. I hope we can meet again. Here's my contact information. May I have yours too?"

Put their information in a notebook or in a place on your phone where you can easily find it to pray for them and to contact them. Text a friendly note to keep in touch.

### Here are some things you could say to open an opportunity to meet up again:

- A.** "I would love to try Vietnamese food but I never know what to order. Could I take you out to eat sometime and have you show me?"
- B.** "Would you like to get together to practice English?"
- C.** "Is there anything that you are finding difficult to do in this new place that I could help you with?"
- D.** "I've always wanted to see what worship at a mosque is like. Could you take me?"

### Which of these options do you like? Write what else you could do to follow up:

---

---

---

- 12.** The first time you meet a Buddhist, Hindu, or Muslim is probably not the time to give them Christian literature. You should typically develop a caring relationship before sharing about spiritual matters. However, you will meet some people that you may never see again. There is a resource that you can share with them in their own languages. [mylanguagemylife.com](http://mylanguagemylife.com) has Bible-based studies and radio programs or movies in over 180 languages.

In order to familiarize yourself with what resources are available, look up the site now and find the page that matches the language of one of the unreached people groups you read about earlier. Share with your team what you find.

Order copies of this card at [asapministries.org](http://asapministries.org) or by calling 269-471-3026. Carry the cards and share them with at least three people this week. Show people on your phone and/or on their phones so they can easily find what's in their own language.

- 13.** What have you learned today and how will you use it this week?

## TEAM PRAYER (10 MINUTES)

Pray together for yourselves, the specific unreached people groups you learned about, and the new friends of other cultures you will soon meet; ask God to lead you to the individuals and the people groups He wants you to work with; pray for others that can join you in this work or that you can train up in the future to multiply more workers for the harvest of the unreached.

### Promises to Claim:

- ✔ *Arise, shine; for your light has come! And the glory of the Lord is risen upon you...The Gentiles shall come to your light, and kings to the brightness of your rising (Isaiah 60:1, 3).*
- ✔ *Your ears will hear a word behind you, saying, "This is the way, walk in it," whenever you turn to the right hand or whenever you turn to the left (Isaiah 30:21).*
- ✔ *An angel guided Philip to the one who was seeking for light and who was ready to receive the gospel, and today angels will guide the footsteps of those workers who will allow the Holy Spirit to sanctify their tongues and refine and ennoble their hearts (White 1911a, 109).*
- ✔ *A revival of true godliness among us is the greatest and most urgent of all our needs. To seek this should be our first work. There must be earnest effort to obtain the blessing of the Lord not because God is not willing to bestow His blessing upon us, but because we are unprepared to receive it...It is our work by confession, humiliation, repentance, and earnest prayer, to fulfill the conditions upon which God has promised to grant us His blessing (White 1958, 121).*

## ASSIGNMENTS (5 MINUTES)

1. This week make your first contacts with people of other cultures or deepen friendships you already have. Read carefully over the *Contact Log* and then use one for each individual you reach out to. This will greatly increase your effectiveness in praying for the people you are meeting and will help you carefully follow up.
2. Mobilize and Multiply. Share with a friend or family member what you learned about unreached people groups and how to make friends with them. Invite him or her to make at least one friend of another culture like you are doing. Teach him or her how to share [mylanguagemylife.com](http://mylanguagemylife.com) and challenge him or her to share it with at least three people.
3. Complete study #1 in *My Favorite Missionary* and focus your prayers on "Immigrants" in *Praying for the World Next Door*.
4. Watch the following video clips:  
  
Here's how to give good news in more than 180 languages; Elder Dan Serns shares further how to be a good neighbor; Ms. Anna Coridan tells her story of moving into a refugee apartment complex to start ministry; Dr. Conrad Vine further explains who the unreached are and what we can do.
5. Take *Mission Survey #1*. At the end of the training program, we will take the survey again to see how we have grown.
6. Complete the form: *Field Report #1*.

## MISSION SURVEY #1: GROWING WHILE GOING

Jesus asked His followers to go and make disciples of all nations (Matthew 28:18-20). That is an overwhelming task, but He specifically promised He had all authority to make it happen and He would personally be with us. At the very start of His training of the disciples, Jesus promised, "Follow Me, and I will make you fishers of men" (Matthew 4:19). You are about to start a similar journey as you go through *Reach the World Next Door*. There is much to learn and so much to do. Jesus has the same commitment to train you and be with you that He gave to Peter, James, and John.

This mission survey will help you assess your interest, confidence, involvement, and ability in discipleship and cross-cultural missions. Take it now to stir your mind about where you need to grow. Take it again at the end of the training to see where you have grown.

For each question check one of the numbers that you think typically fits you: *Seldom (1), Occasionally (2), Frequently (3), Nearly Always (4)*.

<b>40.</b> I promote the needs of the unreached and invite others to help me reach out.	1	2	3	4

**Total Your Circled Points** \_\_\_\_\_

**Today's Date:** \_\_\_\_\_

**Called to Go**

40 60

**Grow While We Go**

80 100 120

**Multiply**

140 160

Place your number on the above scale. The titles remind us that no matter how little we feel we know or can do, Jesus has **called us to go**. Secondly, we should not wait until we feel we have it all together as we will grow **while we go**. And finally, as we gain experience we are equipped to help others get involved and should seek to **multiply** by calling and training others.

Go back above and note those areas in which you especially want to grow. All of the concepts, attitudes, and abilities assessed in the mission survey are taught and encouraged in the *Reach the World Next Door* training. As you apply yourself to learning and implementing, you will definitely become more effective in your mission for Christ and your relationship with Him.

You can keep this survey handy to use it in your prayers, asking God to make you an effective disciple-maker and multiplier among the unreached. You may also want to retake this test part way through the training to see how you are improving. You and your entire group will take the survey again in *Lesson 12* to help you evaluate the effectiveness of this training and to see what areas you want to further grow in.
