

## Unreached

**3.26 billion people live without a Christian witness in the 10/40 Window.**

**Most are very poor. Jesus commissions,  
Build the old waste places!**

## Living Risky

**Despite the known dangers, smoking kills about 8 million people every year.**

**Jesus longs to "strengthen your bones!"**

Heart disease is a terrible killer in our world, responsible for 1 out of every 6 deaths.

Smoking killed 8 million people worldwide and 1.2 million of those were by second-hand smoke.

Someone dies somewhere in the world from diabetes every 5 seconds and the numbers are increasing.

Alcohol use kills 3 million people annually, plus hurts millions more in many ways (ncadd.org).

Over 165 million Americans abuse illicit and illegal substances (recovered.org).

**I want to help heal this hurt. I will research, pray, and use my influence, money, and time.**

A rectangle called the 10/40 Window has been drawn across the map of North Africa, the Middle East, India, China, and Southeast Asia to help us picture the home of the poorest of the poor who are for the most part also the most unreached.

3.26 billion people in thousands of distinctly different people groups that live there have between 0 and 2% evangelical Christians.

Only 4-8% of missionaries are being sent to the places of greatest need (JoshuaProject.net).

## **Without a Bible**

**At least 1,680 languages need Bible translation.**

**Jesus directs, Raise up the foundations of many generations!**

## **Thirsty**

**1 in 4 people do not have ready access to clean drinking water. Jesus promises, You shall be like a watered garden, and like a spring of water, whose waters do not fail!**

A large amount of people do not have adequate water for their basic needs. 1 in 4 people do not have ready access to clean drinking water and 1 in 2 do not have clean sanitation services. During the pandemic, while we continued to water our lawns and flush our toilets with clean drinking water, 3 out of 10 households in the world could not even wash their hands with soap and water (unicef.org).

Over “3 million children and nearly 14 million women walk more than 30 minutes to collect water,” frequently through dangerous territory and often more than once a day (worldvision.org).

**I want to help heal this hurt. I will research, pray, and use my influence, money, and time.**

The full Bible has been translated in 724 languages, which is only 9.7% of all languages.

However, those 724 languages are read by 80% of all people.

The New Testament has been translated in 1,617 languages covering another 11% of the people.

Wycliffe Global Alliance estimates that at least 1,680 other languages need Bible translation.
